

## **dLCV Personnel Committee Report January 2024**

Our first meeting will be held Tuesday, January 16, 2024. The committee is aware of four main issues that we will be discussing over the next few months and provide additional updates to the Board as necessary.

Those issues are:

- Reviewing short-term disability insurance requirements for recipients who may have complicated pregnancies.
- Working with the Executive Director to review the salary survey report and updated salary schedule for dLCV employees.
- Reviewing language provided by the dLCV contracted attorney regarding wording changes to dLCV's Harassment/EEO Policy.
- Assist where needed with any issues with the unionization proposal.

If you have any questions regarding these issues, please feel free to raise them at our next Board meeting or reach out to Diana Crosswhite or Collen Miller.
