BOARD CHALLENGE 2024

This July, we've decided to charge you all with a board support challenge! The most effective nonprofit fundraisers have buy-in and support at all levels of an organization, including from the board. Your ability to leverage personal contacts and fill them in on dLCV's mission and contributions to the disability community in Virginia is KEY in reaching our goals. **Remember:** Giving is an emotional act, and people are more likely to donate to an organization when directly asked to by someone they trust.

Whoever meets the most conditions of this board challenge and sends Alden their completed checklist by 7/25 at 11:59 pm will be crowned the winner and rewarded with a very cool **dLCV Swag Bag**. This bag contains a bumper sticker, a 504 club t-shirt, some sensory toys, a magnet, a branded drawstring bag, dLCV sticky notes, pens and more. **In the event that two or more individuals tie, a winner will be selected using a randomization tool.**
