

MEET & GREET *Hampton Roads*

Learn more about dLCV's advocacy work, meet advocates and mingle with the disability community!

SEPTEMBER 19TH

5:30 - 6:30 PM @ THE GARAGE BREWERY

Friends of dLCV,

Want to meet more members of Virginia's disability community? Join us **Thursday, September 19th, 2024 from 5:30 to 6:30 p.m.**

The disAbility Law Center of Virginia is having a meetup to thank our wonderful supporters, to give folks a glimpse into the important work dLCV is currently doing, and to build connections with members of Virginia's disability community around the state. **This would be a great opportunity for you to learn about dLCV's services, and for us to learn from the community we serve.** We look forward to an evening of mingling and meaningful conversation.

The Garage Brewery has been kind enough to host our meet-up. Craft beers will be available on draft for purchase, and Moontide Sundries, a local food truck, will serve up some brunchy favorites! Stick around after our event for Music Bingo.

If you are able to attend, we welcome you to please kindly [RSVP at this link](#).

We will also use these RSVPs to **communicate additional information regarding directions, parking and accessibility**; so please use an email you access frequently when completing your RSVP registration.

Our Services

Our services include information and referral, legal representation, technical assistance, short-term assistance, systemic advocacy, monitoring and training. Our services are provided free of charge. We are independent from state and local government.
